The Order of Creation Matters. Many Christians think that if we just take each of the days of creation as being figurative, we can harmonize the Bible with the pagan religion of naturalism/evolutionism/humanism and mix it with evolutionary ideas like the big bang and a very old earth. But this only seems reasonable to those who reject the order of events according to Genesis 1. and buy into the ...

Code like Process.Start("explorer.exe", folder); is actually saying "throw the command string explorer.exe [folder] at the shell's command interpreter, and hope for the best". This might open an explorer window at the specified folder, if the shell decides that Microsoft's Windows Explorer is the program that should be run, and that it parses the (possibly unescaped) folder argument how you ...
