Madge just wants to be left alone. If the kids from the local Pack would stop harassing him, he'd be perfect, except he's pretty sure the silver he works with every day is slowly killing him. The one thing he doesn't need is a gorgeous Beta wolf stalking his property under the guise of helping him. And maybe finding out the truth.

significant factor that pushes a wolf to hit the road is aggression from the pack's dominant wolves [source: Whitt].

## **What is a lone wolf? | HowStuffWorks**

The alpha wolf theory is based on an observational study undertaken in the 1940's by biologist Rudolph Schenkel. The theory gained popularity in the 1970's when L. David Mech published his book *The Wolf: Ecology and Behavior of an Endangered Species*.

## **The Alpha Myth: The Real Science of Wolf Packs**

But even a chained wolf was still a wolf. Soon, all injustice would be undone, she only needed a little help. He was a lion, yet he had a heart of gold. He was small, yet he had the biggest soul. He had knowledge and wisdom, a cunning mind that saw him through all of his tribulations. Together, the Wolf and the Lion would create something good.
