The economy of the State of California is the largest in the United States, with a \$3.4 trillion gross state product (GSP) as of 2021. It is the largest sub-national economy in the world. If California were a sovereign nation (2022), it would rank as the world's sixth largest economy, behind of India and ahead of the UK. Additionally, California's Silicon Valley is home to some of the world's ...
