Teacher's Aide or Surveillance Nightmare? Alexa Hits the ...

God's resounding word for a multi-cultural world. Echoes has continually served the Black church for over 25 years by reminding us of all that we have inherited, both through Christ and our culture. All ages, from toddler to adult share the quarterly theme so that families and friends simultaneously study the same Bible truths.

Definition/Description: Echo reading is a rereading strategy

designed to help students develop expressive, fluent reading as well as used for print knowledge. In echo reading, the teacher reads a short segment of text, sometimes a sentence or short paragraph, and the student echo it back. "Echo reading works best for short segments of text as particularly well-suited for beginning readers" (Jennings, Caldwell, and Lerner, 2014).

Echo Reading - STRATEGIES

ECHO's Five Health Outcomes ECHO supports multiple, synergistic, longitudinal studies using existing study populations, called cohorts, to investigate environmental exposures — including physical, chemical, biological, social, behavioral, natural and built environments — on child health and development.

In echo reading, the teacher or parent reads one sentence or paragraph (length can vary) at a time while the student follows along in the text with their finger. Once the adult pauses, the student echoes back the same sentence or paragraph following along with their finger so that you can be sure the student is actually reading and not simply copying you.

Reading Fluency Strategies
