...

The goal of "Global Price Fixing" is to describe and analyze the origins, operation, and impacts of global cartels in the markets for lysine, citric acid, and vitamins. The work is fundamentally a historical approach to understanding the interplay among personal motivations, economic forces, and the enforcement of the competition laws of the major industrial nations.

Horizontal Price Fixing vs. Vertical Price Fixing. Price fixing among marketplace competitors is called horizontal price fixing, whereas fixing prices along the supply chain is called vertical price fixing. 1. Horizontal Price Fixing. This involves an agreement by competitors to set a minimum or maximum price for their products.
