Guide to the IET Wiring Regulations eBook by Electrical ...

By E&T editorial staff. Published Thursday, August 27, 2020. The Government has published a guide for the public about 5G masts, intended to stem the spread of conspiracy theories surrounding possible health implications of the new mobile networks. Considerable research has been carried out about the health impacts of radio waves, with the spectrum used by 5G networks considered to be well within safe limits for humans.
