iMac user Manual I don't often read computer manuals but I read this one. I started just to look for an answer to a question but this was written in terms I understand and I found it interesting to see what all this computer could do. Very informative and helpful.

iMac Essentials on Apple Books - Apple - Apple

So Apple, next time just include the User Guide, pre-installed on all iPad devices. I'd even recommend that you open the User Guide as a user does their first login, there should be no hunting. Or, better yet, a series of Videos to demonstrate how to use this fine touch device, because words never caption the simplicity that a video does.
