Since 1996 — and especially after 9/11 — our immigration policies have drastically weakened the rights of immigrants. Many immigrants, including long-term legal residents, are torn away from their families under extremely harsh mandatory detention and deportation policies, or rushed through expedited proceedings that result in widespread mistakes and raise significant human rights concerns.

The concept of coming out of the shadows about your immigration status was developed by undocumented and queer activists in Chicago who were inspired by the coming out of the closet tactic used by the LGBTQ movement. We put together the first “Coming Out of the Shadows” event in NYC in 2010 and I participated in it.
