## **Literature: An Introduction to Reading and Writing ...**

This section, new in the fifth edition, contains four chapters (32-35) that were formerly appendices, but on the advice of many readers they are now a main part of the book. These chapters, which contain general literary assignments, are newly arranged to place emphasis on research and recent critical theories.

A world literature class may be the first place that some students have encountered European works, let alone non-Western texts. The emphasis in this anthology, therefore, is on non-Western and European works, with only the British authors who were the most influential to European and non-Western authors (such as Shakespeare, whose works have influenced authors around the world to the present ...
