Macramé is a form of textile produced using knotting (rather than weaving or knitting) techniques.. The primary knots of macramé are the square (or reef knot) and forms of "hitching": various combinations of half hitches. It was long crafted by sailors, especially in elaborate or ornamental knotting forms, to cover anything from knife handles to bottles to parts of ships.

Macrame is a form of textile-making that uses knots and loops to create decorative patterns. It originated in Asia and the Middle East, and has been used for centuries to make wall hangings, plant hangers, table runners, and other household décor items. Macrame is relatively easy to learn, and can be done with simple materials like yarn or string.
