'Monkey Mind' is a very interesting book but let me make something clear...it's a memoir of the author and not anxiety. What do I mean? Well, the story is told through the eyes of the author (obviously) but focuses a lot on his life, including when he lost his virginity, his relationship with his mother, his career in fact-checking and writing, and eventually his relationship with his now wife, Joanna.

Monkey Mind: A Memoir of Anxiety: Smith, Daniel ...

Daniel Smith's *Monkey Mind* is subtitled "A Memoir of Anxiety", and it sounds so promising: a smart, intimate, honest account of one person's battle with an acute, crippling mental illness, combined with a broader perspective of treatments, societal reactions/misunderstandings, etc., like what Andrew Solomon did with depression in his great *Noonday Demon*, one of my all-time favorites, or Elyn Saks with schizophrenia with her also pretty great *The Center Cannot Hold*.
