Our Mother's Voice reminds the family to remain vigilant to ensure that those rights and quality of care and services remain in place, for those whose voice has been silenced by age, incapacity, or dementia. Our Mother's Voice does not advise, but informs, so that families can then make decisions of their own.

OUR MOTHER'S HOUSE is one weird psychological ride. Here we have a family living in a gloomy Victorian house with a reclusive, Bible-thumping invalid mother--surely fertile ground for insanity or incest or both. However, what we have is a painful portrait of adolescence in the older children and the horrors of navigating through an adult world.
