Political Thought Of Hume And
Hume's essay "Of the Original Contract" provides a good sense of his overall political stance. His main target is the theory of the social contract, supported by the English Whigs, which holds that governmental authority rests on consent of the governed.

An Introduction to the Political Philosophy of David Hume
David Hume (b. 1711-d. 1776) was one of the central figures of the Scottish Enlightenment. He lived and wrote during a period in which the political discourse of Scotland, and of Great Britain more widely, was often centered on questions of fundamental political import. The legacy of 17th-century English and Scottish political conflicts, in particular those between supporters of the divine right of kings and supporters of more popular forms of rule that had led to the English Civil War ...

Hume's Political Thought - Political Science - Oxford ...
Political Thought of Hume and his Contemporaries: Enlightenment Projects Vol. 2 contains six in-depth studies of eighteenth-century political thought, including both normative issues and examples of Enlightenment social science, including international relations and law, the problem of double standards, political economy, demography, and the causes of imperial decline.

Political Thought of Hume and His Contemporaries ...
In terms of moral philosophy, the most striking feature of reason of state-and of the form of international law that Hume endorses-is the recognition and approval of a double standard of conduct for public and private actors, for state offi cials in contrast to ordinary people or subjects of states.

Political Thought of Hume and his Contemporaries
Hume's cautious approach to social change may fairly be called conservative. However, he is willing to endorse efforts at gradual reform when these efforts do not threaten the stability of the society. His legacy for modern political philosophy remains contested.

Hume's Political Philosophy - Oxford Handbooks
In The History of England, he tells a story about Charles I who is executed by the parliamentarians. And in general, Hume is pretty clearly on the side of the parliamentarians and he thinks this is sort of the way that the right regime should be represented of democracy that protects property.

Hume and the Politics of Enlightenment | Free Thoughts Podcast
David Hume (1711–1776) "Hume is our Politics, Hume is our Trade, Hume is our Philosophy, Hume is our Religion.". This statement by nineteenth century philosopher James Hutchison Stirling reflects the unique position in intellectual thought held by Scottish philosopher David Hume. Part of Hume's fame and importance owes to his boldly skeptical approach to a range of philosophical subjects.

Hume, David | Internet Encyclopedia of Philosophy
More essays, the Political Discourses, appeared in 1752, and Hume's correspondence reveals that a draft of the Dialogues concerning Natural Religion was also underway at this time. An offer to serve as Librarian to the Edinburgh Faculty of Advocates gave Hume the opportunity to begin another project, a History of England , using the law ...

David Hume (Stanford Encyclopedia of Philosophy)
When David Hume died in Edinburgh in 1776, his close friend Adam Smith wrote that Hume had approached "as nearly to the idea of a perfectly wise and virtuous man, as perhaps the nature of human ...

David Hume's racist views should remind us all we are ...
The History of England (1754-61) is David Hume's great work on the history of England (also covering Wales, Scotland and Ireland), which he wrote in instalments while he was librarian to the Faculty of Advocates in Edinburgh. It was published in six volumes in 1754, 1756, 1759, and 1761. The first publication of his History was greeted with outrage by all political factions, but it became a ...

The History of England (Hume) - Wikipedia
David Hume, one of the greatest English philosophers, was also an outstanding political and economic theorist and historian. His political essays reflect the entire range of his intellectual engagement with politics. Twenty-seven of the most important ones are presented in this fully annotated edition.

Hume: Political Essays (Cambridge Texts in the History of ...
Hume's position in ethics, which is based on his empiricist theory of the mind, is best known for asserting four theses: (1) Reason alone cannot be a motive to the will, but rather is the "slave of the passions" (see Section 3) (2) Moral distinctions are not derived from reason (see Section 4).

Hume's Moral Philosophy (Stanford Encyclopedia of Philosophy)
Beginning with A Treatise of Human Nature (1739-40), Hume strove to create a naturalistic science of man that examined the psychological basis of human nature. Hume argued against the existence of innate ideas, positing that all human knowledge derives solely from experience.

David Hume - Wikipedia
David Hume, Scottish philosopher, historian, economist, and essayist known especially for his philosophical empiricism and skepticism. Despite the enduring impact of his theory of knowledge, Hume seems to have considered himself chiefly as a moralist. Learn more about his life and ideas in this article.

David Hume | Biography, Philosophy, Works, & Facts ...
Yet a major part of this definitive collection, the Essays, Moral, Political, and Literary (a volume of near 600 pages, covering three decades of Hume's career as a philosopher) has been largely ignored. The volume has rarely been in print, and the last critical edition was published in 1874-75.

Essays: Moral, Political, and Literary: Hume, David ...
Intended for scholars in the fields of political theory, and the history of political thought, this two-volume examines David Hume's Political Thought (1711-1776) and that of his contemporaries, including Smith, Blackstone, Burke and Robertson. This book is unified by its temporal focus on the middle and later decades of the eighteenth century and hence on what is usually taken to be the ...

Buy / Sell Political Thought of Hume and hi online ...
It is an irony - I say no more - that Hume, a man whose contribution to freedom of thought was spurned in the 18th century by Edinburgh University, which last century sought to make amends, is ...

Letters: The muddled thinking that lies behind the Hume ...
Political Thought of Hume and his Contemporaries: Enlightenment Projects Vol. 1 contains six in-depth studies of issues in eighteenth-century political thought, with an emphasis on topics in normative theory such as property rights, the social contract, resistance to oppressive government, and religious liberty.

Political thought of Hume and his contemporaries ...
Not all colonial American contact with the works and thought of David Hume was a product of printed matter being transferred from Britain to America. A number of colonists traveling in Britain made a point to look Hume up. Records of those encounters offer a measure of Hume's escalating celebrity with early Americans of the Revolutionary era.
