Put egg yolks into a large bowl with golden caster sugar. Using a hand whisk, whisk until thick and pale. Pour the vanilla-infused milk through a sieve onto the whisked egg yolk and sugar mixture, stirring well. Discard the pod (the seeds will fall through into the custard). Quickly wash out the pan and return

How Common are Blood Spots in Fresh Eggs? It's estimated that blood spots occur in a small percentage of eggs, roughly 2-4%.

Bookmark File PDF The Fresh

However, blood spots rarely show up in a carton of store bought eggs because the eggs are candled (ie, a bright light is shined through the shell to detect them) and those eggs containing blood spots are discarded or used for animal feed.
