The Three Musketeers Great Illustrated

A musketeer (French: mousquetaire) was a type of soldier equipped with a musket. Musketeers were an important part of early modern warfare particularly in Europe as they normally comprised the majority of their infantry. The musketeer was a precursor to the rifleman. Muskets were replaced by rifles as the almost universal firearm for modern armies during the period 1850 to 1860.

The use of a series of three elements is also a well-known feature of public oratory. Max Atkinson, in his book on oratory entitled *Our Masters' Voices*, gives examples of how public speakers use three-part phrases to generate what he calls 'claptraps', evoking audience applause.. Martin Luther King Jr., the civil rights activist and preacher, was known for his uses of tripling and the rule of ...
