### **ERIC - EJ672459 - The Trouble with Black Boys: The Role ...**

While these initiatives step up to address critical educational issues that affect black boys' learning, I believe the reason for the problem with black male achievement is very simple: Black boys are the victims of low expectations from school teachers and leaders who are afraid of their behavior, of daring them to teach them.

### **Black boys fail in school because educators are failing them**

More black men experience significant challenges than white men, have higher levels of worry, and are harsher in their judgment of black men. Even so, more are focused on achieving success in a career, on living a religious life, and are optimistic about a bright future.

### **Perceptions of and by Black Men | The Opportunity Agenda**

By fostering and exploiting the victim mentality, discouraging self-examination, subsidizing baby-mamas, and making excuses for black thugs, so-called progressive policies don't alleviate the problems that afflict the black community, they aggravate those problems.
