Zinn and the Art of Motorcycle Maintenance: An Inquiry into Values is a book by Robert M. Pirsig first published in 1974. It is a work of fictionalized autobiography, and is the first of Pirsig's texts in which he explores his "Metaphysics of Quality". Pirsig received 126 rejections before an editor finally accepted the book for publication--and he did so thinking it would never generate a profit. It was subsequently featured on best-seller lists for decades, with initial sales of ...
